

VIETNAMESE AFFAIRS STAFF  
OFFICE OF THE DIRECTOR OF CENTRAL INTELLIGENCE

DATE: 12 May 1970

TO: Ambassador Ellsworth Bunker

FROM: George A. Carver, Jr.

SUBJECT:

REMARKS:

1. Per your request, I append a copy of the spot report on supplies captured to date in Cambodia that was prepared by my staff. This report summarizes information available as of 1030 on Tuesday, 12 May and hence may be somewhat out of date by Thursday.

2. The Director and all of us here very much appreciated your visit and the amount of time you generously gave us from your very busy schedule.

George A. Carver, Jr.  
Special Assistant for Vietnamese Affairs

CAMBODIAN OPERATIONS

The latest statistics on Cambodia cross-border operations reveal that massive quantities of enemy supplies have been found. 1,846 tons of rice have been located with almost 1,000 tons found in the Fishhook and some 580 tons in BA 702 in northeastern Cambodia.

Over 1,448 tons of ammunition have been captured or destroyed to date with the largest volume showing up in the huge cache complex north of Bu Dop which included: 6 1/2 million machine gun rds, 9,000 hand grenades, 5,600 recoilless rifle rds, 4,200 RPG rds, and 3,600 mortar rds.

Additionally, more than 1 1/2 million small arms rds have been discovered. Over 800,000 of these were found in the Fishhook and the Parrot's Beak. 7,000 individual arms and almost 1,000 crew served weapons have been captured or destroyed in all areas of operation.

Cumulative casualty figures are: Enemy, 5,004 KIA, 1,360 captured; Friendly, 357 KIA (89 US), and some 1,500 wounded.
